Damage at Larkinburg.

The town of Larkinburg, twentyfive miles northeast of Hoyl, is reported to have been damaged but the
storm evidently ended there. The
twister approached Hoyl from the
southwest. The homes of John Cox,
J. O. Marshall. John Wallace and
Jack Colburn were destroyed. Undamaged houses in the town were
chrown open to the victims of the tormado. Miss Elina Whiteraft, one of
the injured. Was riding in a buggy
when the storm struck. She was
blown several hundred feet and badly
injured. Miss Whiteraft lives in Holton. No stock is thought to have been
killed. Two persons were injured at
Larkinburk and orchards and a few
buildings were damaged.

Beatrice Melton was struck by a
door when she tried to make her way
to the cellar of the Cox home where
lithey were staying. She was badly injured. The home of Mrs. Mina Greeg,
almost directly in the path of the Damage at Larkinburg.

den, fore a pair infough much of the district near Hoyt late Wednesday afternoon. The twister after leaving Hoyt passed north to the farm of Art Norms of a Tentonic spy system in would be revealed, including us of alleged directors, and of obtaining agerts information.

RUSSIANS IN FRANCE

(Continued from Page One) that Russia was sending troops to troops have ever appeared before

The French again have taken the offensive in the Verdun battle and launched attacks against the German launched attacks against the German lines on the right bank of the Meuse. Paris declares the aggressive move was successful resulting in the capture of portion of German trenches and a redoubt and in the taking of several hundred prisoners. This operation on the part of General Petain's forces follows closely a German move in a new field in the Verdun struggle. This took the form of a drive on the extook the form of a drive on the extreme right flank of the French forces in this sector, three successive attacks being delivered at Les Eparges. about 13 miles southeast of Verdun, on the edge of the Woevre plain. Mill-tary observers have long expected some such operation by the Germans as part of a squeezing movement intended to force the evacuation of the fortress. The new attempt was unsuccessful, however, Paris has reported, the Germans having been driven off by a counter attack out of the two hundred yards of trenches they had succeeded in occupying.

Reinforcements for Germany.

Paris, April 20.—French resistance in the region of Verdun is compelling the German general staff to withdraw large forces from the Teuton front in Macedonia and Serbia and in Russia, according to information obtained to day from the bickest milister author.

Macedonia and Serbia and in Russia, according to information obtained to-day from the highest military author-

The first division of the first German army corps and another division not yet identified, are said to be among the troops which have just been brought from the other fronts. The Eighteenth army corps and the Eleventh Bavarian division it is declared, have been brought from Serbia-Capture English Trenches.

Berlin, April 20.—British trenches for a distance of 600 meters between Langemarck and Ypres, Belgium, have been occupied by German troops, according to the official statement given out at the army headquarters today.

A Strong Force. The first division of the first Ger.

A Strong Force. Seilles at noon today.

The Russians are to fight beside the

allied soldiers in France.

General Jöffre welcomed the Rus sians in an order of the day, saying their arrival was another proof of the devotion of Russia to the common Joffre Sends Warmest Greeting.

The text of the order issued by Gen-eral Joffre follows:

eral Joffre follows:
"Our faithful ally, Russia, whose armies already are flighting so valorously against Germany, Austria and Turkey, wanted to give France further assurance of her friendship; more striking proof of her devotion to our common cause.

striking proof of her devotion to our common cause.

"Russian soldiers chosen from the bravest in her armies and commanded by officers of the highest renown, have come to fight in our ranks.

Receives Them Warmly.

"You will receive them like brothers. You will receive them like brothers. You will show them that warm sympathy which you feel toward those who leave their country to come and fight at our sides.

and fight at our sides.

"In the name of the French army I

welcome the officers, under officers and soldiers of Russia who have de-barked in France. I bow before the Russian flag upon which there soon will be inscribed the glorious names of our victories."

VIOLATE OWN LAWS

were then explained. The men and women inspectors were to be seated in one corner of the room—seated near a big sewer pipe that carries refuse from one wing of the state house. Sometimes, it was explained, the sewer pipe was contrary and leaked.

pleased. Besides, booths for the pic-ture machines cost money and the state censorship department wants a record for economy for use in the campaign, it was kindly explained. All Kinds of Protection.

nearly three feet above the floor level and exit through these openings is

and exit through these openings is impossible.

Explanations were made that the room was fire proof, that the state did not need to safeguard the picture machines. Surely the big stone walls and heavy steel doors would not burn. In case a film should explode—such as in the recent case of the Iris theater—well, really don't you know, such trifling matters hadn't been considered. Possibly the operators and censors might make the most of the deadered. Possibly the operators and censors might make the most of the deadly gas fumes and feel their way to the first exit from the sub-basement—the exits that are 300 feet away and along winding walks.

It is the plan of the state to begin the inspection of the films in the new quarters as soon as machines can be set in the "fire proof" room. Censors and operators can work in the room maintained in violation of factory,

New York Stock Market.

Wall St., New York, April 20—STOCKS—Prices made further upward progress in the first hour, but dealing fell away on the advance. Moderate selling of the speculative issues resuited in average recessions of a point, industrial Alcohol losing 3. Later the market hardened against favorable foreign advices being a contributing factor. Trading was abviously professional, commission brokers reporting almost an entire cessation of yesterday's liquidation. Early rates of exchange threw no light on the Washington-Berlin stuation.

Bonds were steady with hominal carring. Firmness market, affording a striking contrast to yesterday's uneasiness and excitement. The more active specialties like Crucble Steel, Baldwin Locomotive, Mexican Petroleum, Marine preferred, American Zine and Industrial Alcohol were higher by a point or more, with a gain of 2½ for Bethlehem Steel. The metal and motor groumps were fractionally better, except Unitys-Overland, which fell over a point. United States Steel opened unchanged but substantially made siight improvement, Investment shares as a whole were steady but inactive.
